

Mithu Biswas, Ph.D.

She earned her M. Sc. degree in Botany from the University of Calcutta with distinction standing 1st class second in order of merit. She did her Ph.D. in Applied Botany from the Indian Institute of Technology, Kharagpur. Since last 8 years she is teaching Botany in B.Sc. Honours and General courses in Sarsuna College and Asutosh College, Kolkata, under the University of Calcutta. Earlier, she taught Post-Graduate Diploma course in Biotechnology Management for 2 years at Nicco Institute of Biotechnology, Kalyani under erstwhile West Bengal University of Technology. She has authored two book chapters: Advances in Fermentation Technology, Asiatech Publishing Inc, New Delhi (2008); Engineering Aspects of Cereal and Cereal-Based Products, CRC Press, Boca Raton, USA (2013). A former student of the co-author in Charuchandra College, Dr. (Mrs.) Biswas is now working as Assistant Professor of Botany in Asutosh College, Kolkata.

Sauris Panda, Ph.D.

He is teaching Botany, especially plant taxonomy, under the University of Calcutta over the last 30 years. To the best of his achievements, he has now many successful students, working as a faculty in colleges or universities and research institutes in India and abroad. Two students have been awarded Ph.D. degree under his able supervision. On various projects he has explored the forests of Odisha, West Bengal and Sikkim including their aquatic and wetland plants. He has authored a number of research papers published in reputed journals, and written 4 books. An alumnus of the University of Calcutta, from graduation to post-doctoral studies, Dr. Panda is now an Associate Professor of Botany in Charuchandra College, Kolkata.
