### To whom it may concern

This is to certify that Asutosh College, Kolkata has conducted a detailed "Green, Environment and Energy audit" for the period 2020-2021, to evaluate the eco-friendly practices, initiatives and activities implemented by the college such as campus greenery, waste management, campus cleanliness, energy conservation, water and soil quality analysis and awareness initiatives.

The efforts of the institution taken towards a green campus is satisfactory. The activities of the staff and students, undertaken to promote environment friendly practices, are commendable.

Yours faithfully

Rsp Green Development and Laboratories Pvt. Ltd.
