GREEN CAMPUS THAT REFLECTS THE VISION OF BUILDING RESPONSIBLE STUDENTS WHO ARE AWARE OF THEIR DUTIES TOWARDS THE ENVIRONMENT

Keeping inclusivity at the core of all policies, holistic education for all irrespective of gender, caste, religion, physical health is the mission of Asutosh College and the institution's policies reflect the same.

The vision and mission were formulated keeping in mind that ever-changing global requirements, changes in curriculum structure and syllabus, critical elements of the teaching environment should not prevent any student from accessing holistic education. Pure knowledge should reach each one and all irrespective of geographical, communal, physiological, gender-based differences.

Keeping the vision and mission in focus, reviews and feedback are collected from all stakeholders through various informal meets. Like alumni feedback was collected during Alumni talks through conversations with the faculties. Parent meetings were the source of pooling suggestions from parents. These information were then analysed and the institutional policies are framed on the basis of the same.

For example, based on the feedback of stakeholders the institution has adopted the following measures.

RECOMMENDATION FROM STAKEHOLDERS	ACTIONS TAKEN
Request for equipping students with industry ready courses along with regular curricular studies	Introduction of job oriented certificate courses https://asutoshcollege.in/new-web/certificate-course-management-committee-central.html
Request for knowledge of class lecture plan beforehand for the students, so that students can plan their course of action.	Providing the teaching plan to the students
Request for knowledge of various milestones regarding exam schedules, programs beforehand, so that students can efficiently plan their studies.	Providing the academic calendar before hand
Request for personal attention by students, to resolve their queries, especially before exams.	Hand holding through mentors not only during class hours but also mails, whatsapp beyond the classroom
Request for extra information regarding the academic and job environment through seminars in different subjects	Very frequent seminars through the program 'Everyday is seminar day' https://asutoshcollege.in/new-web/seminar-workshop-organising-central-committee.html
Request for networking with other institutions beyond the college	Collaborations with other institutions https://asutoshcollege.in/new-web/committee-of-mou-gallery.html
