- BRIEF REPORT ABOUT THE EVENT/ PROGRAMME: The NSS unit of Asutosh College organized a blood donation camp in July (13th-19th July 2023). It was conducted in conjunction with the People’s Pharmacy, Hazra. Our student response was enthusiastic. All departments witnessed a strong turnout of students. Many were donating blood for the first time in their lives. Many of the teachers also donated blood. Their medical parameters were checked and only then were donation allowed. All the donors received certificates which give them free access to a matching unit of blood within a year. Less tangible than the certificates, but no less significant, was their sense of pride and fulfillment.  
Professors Ashis Kumar Das, Paromita Chaudhuri, Parthasarathi Bera, Supatra Sen, Tapan Kumar Roy, Antika Krishna Sinha, Dipanjan Mazumdar and Pampiya Chowdhury were involved in the organization of this camp.
- EXPECTED OUTCOME: Greater awareness about blood donation issues among both students and members of faculty. Greater awareness about the relevance of the NSS motto - ‘Not me, but you’

- ATTENDANCE SHEET: <https://drive.google.com/file/d/1VT-UeKd7MpKTJ5RXJ9GK78X6z7WbkVBA/view?usp=sharing>
- BRIEF REPORT ABOUT THE EVENT/ PROGRAMME: As in previous years, this time too the NSS unit of Asutosh College has organised a Dengue-awareness programme in all the college buildings and in areas surrounding the main campus. This was on 26<sup>th</sup> September, 2023. An NSS unit comprising the NSS coordinator, other members of staff as well as students of the college visited the Patuapara slum area in Bhowanipore, Kolkata, for implementation of the programme. Acting in consultation with the local residents, our team members spread bleaching powder in places where stagnant water had collected and refuse had piled up. Simultaneously they organised a clean-up of the area by collecting and removing discarded plastic waste.

A procession from the Main building to Patuapara was also organised by NSS volunteers and teachers as part of the Awareness Programme. Our NSS coordinator Dr. Parthasarathi Bera spoke about the role of good personal and community habits in keeping dengue at bay. The residents were advised to regularly clean blocked drains, to dispose of old containers, mugs, buckets and tyres, to keep water tanks and water containers covered and not to allow water to remain stagnant near their houses. They were advised to use mosquito nets without fail.

➤ EXPECTED OUTCOME:

1. Heightened awareness of the potential danger of Dengue Haemorrhagic Fever
2. Implementation of good habits
3. Elimination of harmful practices in the interest of self and the community.

- BRIEF REPORT ABOUT THE EVENT/ PROGRAMME: On June 10<sup>th</sup> and 11<sup>th</sup>, 2024, Asutosh College's Students Union, in collaboration with the NSS Unit Health Care, successfully organized a blood donation camp on the college premises. The event saw enthusiastic participation from students, faculty, and local community members, with over 430 donors contributing to the noble cause. The camp aimed to address the critical need for blood supplies in local hospitals and create awareness about the importance of regular blood donation. Medical professionals ensured the process was safe and efficient, and refreshments were provided to donors. The event exemplified the spirit of community service and social responsibility among the students.
- EXPECTED OUTCOME: Greater student participation in blood donation camps, and stronger interactions with the wider community. Volunteer experience and Health screening made the camp successful and paved the way for future collaborations between the Students Union, NSS, and healthcare organizations, aiming to make blood donation camps a regular occurrence at the college.
