- **BRIEF REPORT ABOUT THE EVENT/ PROGRAMME:** The Block Development Office of Bhasa Bishnupur organized an extension activity at Asutosh College with the aim of promoting sports, environmental awareness, and education. The event encompassed a plantation ceremony, distribution of sports gear for volleyball and badminton to college hostel students, and the distribution of bicycles to students of a local village school. The event commenced with a plantation ceremony, where participants were encouraged to plant saplings as a symbolic gesture towards environmental conservation. This activity aimed to raise awareness about the importance of preserving nature and fostering a sustainable environment.

In line with promoting sports and physical fitness, the Block Development Office distributed sports gear for volleyball and badminton to the college hostel students. This initiative aimed to encourage active participation in sports activities, fostering a healthy lifestyle and promoting teamwork among the students. Additionally, the extension activity focused on supporting education in the local village by distributing bicycles to school students. This initiative aimed to address the transportation challenges faced by these students, enabling them to commute to school more conveniently. By providing bicycles, the Block Development Office aimed to enhance access to education and promote regular attendance among the students.
- **EXPECTED OUTCOME:** The expected outcomes of this extension activity are manifold. Firstly, it is anticipated that the distribution of sports gear will lead to increased participation in sports activities among college hostel students, resulting in improved physical fitness and overall well-

being. Secondly, the plantation ceremony is expected to instill a sense of environmental consciousness among the participants, encouraging them to take responsibility for preserving nature. Lastly, the distribution of bicycles to local village school students is expected to improve their access to education, facilitating their commute to school and promoting regular attendance.
