NOTICE

It has been noticed that an anonymous gang/group, counterfeiting the official signature and stamp of our Vice-Principal, is trying to blacken the legacy of this prestigious institution in condemnable manner. Their malpractices range from issuing fake notices to demanding money from our Teaching, Non-Teaching staffs and students. Their intention is to defame this century-old institution. The administration of Asutosh College strongly condemns such disgraceful activity and takes strict legal action to penalize such abominable practice. The administration of Asutosh College has already informed the Cyber Police Station, Lalbazar, to investigate this matter closely and take stringent steps to detect the gang and take required action for such abominable practice.
