

REPORT

Asutosh College, Department of Economics in Collaboration With Hub Committee, IQAC & NSS Unit, Asutosh College organised an Extension Activity on Water, Sanitation and Hygiene (WASH)

TITLE OF PROGRAMME: Extension Activity on Water, Sanitation and Hygiene (WASH), organised by The Department of Economics in collaboration with IQAC and NSS Unit, Asutosh College and the HUB Committee

THEME OF THE PROGRAMME: Awareness about Water, Sanitation and Hygiene (WASH)

ACADEMIC SESSION: 2023-2024

DATE: 22nd March, 2024

VENUE: Santoshpur Rishi Aurobindo Balika Vidyapith

OBJECTIVE/ PURPOSE:

- To create awareness of global water crisis and importance of conservation of freshwater amongst students.
- To help students understand the diseases caused due to poor sanitation and hygiene and hence the importance of WASH.
- To describe the role and responsibility of National Service Scheme (NSS) Volunteer in tackling water management issues in his/her community.

TARGET AUDIENCE/ PARTICIPANTS: Students of Santoshpur Rishi Aurobindo Balika Vidyapith (Hub School).

BRIEF REPORT ABOUT THE EVENT/ PROGRAMME:

The Department of Economics in collaboration with IQAC and NSS Unit, Asutosh College and the HUB Committee organised an Extension Activity on 'Water, Sanitation and Hygiene (WASH)' on World water Day, 22nd March 2024. A team of faculty members consisting of Smt. Sejuti Ghosh Das and Dr. Pritha Biswas from the Department of Economics, Dr. Dipanjan Mazumdar (Department of Geology) alongwith Dr.Partha Sarathi Bera (Department of Statistics) from the NSS Unit of Asutosh College had visited the school accompanied by student volunteers, SK. Oyasin, Arkaprabha Das, Somali Pal, Gargi Dey and Oindrila Datta.

The faculty members have demonstrated the importance of Water, Sanitation and Hygiene(WASH) to the students of classes VII and VIII through power point presentation and posters. They have interacted with the students and have distributed leaflets to them with messages on " WASH" which have generated good interest amongst the students.

EXPECTED OUTCOME:

- Help the students develop critical thinking about water, sanitation and hygiene.
- Make students aware about about water-related issues and to take action to make a difference.
- Increased awareness about global water crisis.
- Awareness amongst students about the importance of sanitation and hygiene.
- To develop awareness among students about National Service Scheme (NSS), its history, structure and objective in solving key environmental issues including water management.
