BRIEF REPORT ABOUT THE EVENT/ PROGRAMME: An Extension Activity on Celebration of "World Water Day" was organised by HUB Centre of Asutosh College, NSS Unit & the Department of Environmental Science in collaboration with IQAC on 26th March, 2025 in Garfa Dhirendranath Memorial Girls' High School (H.S.). A team of faculty members from the Department of Environmental Science, Hub Committee and the NSS Unit of Asutosh College visited Garfa Dhirendranath Memorial Girls' High School (Hub School) to observe the 'World Water Day' and to help the students to develop a critical thinking potential about the vulnerable Water Resource of the world.

On that very day, the faculty members our college belonging to several Committee demonstrated some important aspects of Water Resource to the students of classes VI to class IX through power point presentations and lectures. The faculties of Asutosh College also conducted an open quiz about the nitty-gritty of water resources and the way our life fulcrums on it. The students participated enthusiastically and some gifts were also given to them. The students of the school also felicitated the faculties with some beautiful paper handicrafts made by them.

Overall, the program was very much successful in meeting with the objectives as planned.

EXPECTED OUTCOME: Participants gain insights into global water scarcity, pollution, and sustainable water management. Encourage people to take personal and collective actions to conserve water.
