

# **ASUTOSH COLLEGE**

## **ANNUAL REPORT OF THE Linkage with Industry**

**ACADEMIC SESSION:**

## **ABOUT THE COMMITTEE/ UNIT/ CELL:**

The Linkage with Industry committee is an important part of a developed and competitive institution and is considered as one of the most important unit of an educational institution. Asutosh College Linkage with Industry committee has a team of committed experts who always come forward to impart invaluable suggestions for the betterment of the students. The Linkage with Industry committee of the College is well networked with Industries and its primary aim is to find a suitable job for our students in reputed companies.

The National Educational Policy (NEP) always recommends a strong Industry linkage with emphasis on exposure for students to real-life examples and making them globally competent. It is expected that a University This Industry Linkage Committee of with a conducive and impactful industry interface will result in innovations enabling solutions to Global challenges. The NEP has also recommended that students, as a part of holistic education, will be provided the opportunities with local industry as well as research internships with faculty and researchers, which will further improve their employability. NEP 2020 also advocates multidisciplinary learner-centric education, giving importance to learning outcomes.

The Linkage with Industry committee aims at creating an interface between the world of employment and the academia, thereby making it mutually beneficial to the students/alumni of the Institute. Every year host of companies are invited to the campus to hold recruitments for the students. The committee is committed to create a successful future and better placement opportunity for willing students.
