- **BRIEF REPORT ABOUT THE EVENT/ PROGRAMME: Celebrating the birth of Swami Vivekananda is not just an event but an acknowledgment of the profound impact he had on Indian society and the world at large. Swami Vivekananda, born on January 12, 1863, in Kolkata, India, emerged as one of the most influential spiritual leaders of the modern era.**

He was probably the most known and well-known person with spiritual consciousness in India. With his personal religiousness, we will tell a little about two things that we know about him today his poet and singer entity.

Poet Vivekananda --- Bangla, Sanskrit, English wrote poetry in 3 languages. "Bangla and Sanskrit poems of Virabani are known to us." So I'm not familiar with English poetry that is written in the 19th century Victorian English. In his poems, Mormia and mystic thought are:

Peace: Why is there a niche of foreigners in the country in the name of the poetry, which ends with the end of the country... It's only home in this line.

The Cup: The cup of blood, the cup of blood of Socrates, the poison of Shiva during the seasons... Many people think. "The driving force of life says: ""This is your cup — the cup assigned to you from the beginning." Take it..... If you drink this pot, then the land is gained.

Kali the mother.... He Destroyer --- He is the world's pioneer

The song of the Sanyasin/To song of the free & To the 4th of July..... Spiritual release and human liberation in these three are synonymous --- This freedom of freedom from the heart of the heart to the other, in a sense, the colonial bond of America, which actually renounces human liberation..

Singer Vivekananda - Swami sang wonderful songs, wrote himself. But Rabindranath's song was his favourite. Ramakrishna is speaking the songs that Vivekananda sang repeatedly:

I have made you the constant of life..."

You heard the throne, O Lord of the world..."

"Art him the moon, Dev human port."""

But he was in two opposite pole about religion – one is the worshiper of Nirakar Brahm and the other is the worshiper of Sakar Deva. But both wanted to find the limit and the unlimited. He wants to pass from the land to seek self-pleasure. So Vivekananda found the way to release Rabindranath's song.

On the other hand, Rabindranath found this Vivekananda which he believed in his sacred and gauramohan, which was a caste-based religion, had to be duty towards the people of the country. He himself wrote in the newspaper poem: Outside all temples / My worship is finished today/

From Debolok to Manbolo.....

This is Vivekananda: The person who loves the life/the person resonates the humanist pronunciation of God. Both considered humanity the best that the folk of the genus plate denies gender penis ---

- **EXPECTED OUTCOME:** To educate the audience about the works of Swami Vivekananda and in still a sense of pride of our rich Indian heritage and culture.
