- TARGET AUDIENCE/ PARTICIPANTS: Students and faculty members of PG departments of Asutosh College.
- > BRIEF REPORT ABOUT THE EVENT/ PROGRAMME:

The objective of this programme was to enhance awareness and understanding of climate change among students through an informative lecture and a creative poster competition. The lecture was aimed to educate participants on the causes, impacts, and mitigation strategies of climate change, and an informative discussion. The poster competition provided a platform for students to express their ideas, solutions, and concerns about climate change, nurturing creativity and leadership quality. This initiative seeks to inspire young minds to take proactive steps toward environmental sustainability and climate action. A total of 13 posters were submitted from the 7 PG departments of the college viz. Bengali, Botany, Chemistry, Computer Science, Environmental Science, Geography and Zoology.

EXPECTED OUTCOME:

The programme on climate change is expected to enhance students' awareness and understanding of climate change, its causes, impacts, and mitigation strategies. Through the lecture, participants will develop critical thinking skills and gain insights into sustainable solutions. The poster competition will indulge students into creativity and innovation, allowing them to visually express their perspectives and ideas on climate action. This initiative will encourage advocacy and responsible environmental behaviour, inspiring students to take proactive steps toward sustainability. Additionally, the programme will facilitate knowledge sharing, improve communication and presentation skills, and motivate students to engage in future climate-related projects, research, and activism.
