NAAC 2015

REPORT OF THE ADVENTURE CLUB: ASUTOSH COLLEGE

The Asutosh College Adventure Club was established in 5th May 2016 under the aegis of N.S.S & N.C.C unit of Asutosh College to propagate adventure and allied activities among students. The primary aim of this unit is to inculcate the spirit of adventure among the youth. We believe that propagating adventure and allied activities at their youth level and exposing them to its thrills would bring them closer to nature.

Outbound group activities and nature awareness have an inherent advantage in as much as they help in moulding a child's character. A good adventurer automatically becomes a good human being, and a good human being becomes a good citizen. It is such citizens we would like to churn out. We aim to continue this process. Towards this end Asutosh College also strives to keep the programme budget modest so that students of all sections of society partake in them.

ADVENTURE-CUM-NATURE STUDY CAMP 2016

Our students today, across all departments, are the products of a relentless selection process which starts even before they have left school. The few breaks they enjoy with their families are relatively cramped affairs, generally being limited guided tours.

REPORT OF ADVENTURE CLUB: ASUTOSH COLLEGE

Few of them have had any chance to see nature in all her wild beauty. Few of them have encountered the hardship of military-style camp accommodation. Few have seen animals outside a zoo. Few have undergone physical hardship in any form.

Our aim has been to help them connect with a dormant side of their personality. As young people they need to develop physical courage and endurance, group sympathy and dynamics, and a living respect for this beautiful planet. This we believe we have succeeded in inculcating.

THE EXECUTIVE TEAM:

- ✓ *Sri Murari Chakraborty, Camp Co-ordinator.*
- ✓ *Dr. Paromita Chaudhuri, Camp Commandant.*
