Students Excursion

Theme of event: One day excursion at genetics research museum at NIBMG”

Academic Session: 2024-2025

Date: 21.12.2024

Venue: Genetics research museum at NIBMG, Kalyani.

Objective: To enhance the knowledge and approach of students towards research.

Target audience/participants: Students of the Dept of Biochemistry

Brief report:

The students of the department participated in the excursion program at Genetics Research Museum at NIBMG, Kalyani, The visit was organized by the Department of Biochemistry on 21st December, 2024, with prior permission from NIBMG. The semester II students were accompanied by Dr. Ruma Das of Department of Biochemistry, Asutosh College, there. The scientist over there emphasized on the study behind the genetic research. The laboratory was well established with models and equipments of research related to genetics.

The students acquired the concept of research on genetics very well. It was followed by an interesting question answer session.

Expected Outcome:

Students got an overview of research on genetics. They gained knowledge about the general working methodology, and ways to structure their work in research on genetics.
