

Date: 30th January, 2023

Title of the event: Abstract Write-up Competition

Name of the Department: Biochemistry

Organizing Committee: Department of Biochemistry & IQAC, Asutosh College

Summary of the event:

The Department of Biochemistry organized an “Abstract Write-up Competition” on the occasion of Anti-Leprosy Day for the students of Semester I, Biochemistry Department. A total number of five participants submitted abstracts on the given topic. The write-ups were evaluated by two faculty members of the department. All the participants were given participation prizes and certificates of participation. The special certificates were given to first and joint second positions. The participants were:

1. Bhaswati Bhattacharya
2. Anindya Halder
3. Soumyadeep Paul
4. Md Soaib Ahmed Ansari
5. Preranna Sheet

Preranna Sheet was awarded the first and Anindya Halder and Soumyadeep Paul were awarded joint second positions respectively.

Benefits/outcome of the initiative for the students:

The sole purpose of conducting the abstract write-up competition in the Department of Biochemistry is to encourage and teach the students how to prepare scientific abstracts and present in any seminar/conference. This was the first official platform for the students who have just entered their graduation program in Biochemistry to present scientific write-ups. This program also helped them to go through various scientific papers on the topic and how to gather information and summarize it into a small abstract.
