

Date: 31st August, 2023

Time: 1:00pm – 2.00 pm

Venue: Room No 10, ACTC Building, Asutosh College, Kolkata

Title of the event: Essay competition on “Why should we study Biochemistry.?”

Name of the Department: Biochemistry

Organizing Committee: Department of Biochemistry & IQAC, Asutosh College

Summary of the event:

The Department of Biochemistry organized an Essay competition for first semester students on “Why should we study Biochemistry?” The newly admitted first semester students in the department participated in the event. They submitted a write-up of 300-400 words on their reasons of choosing Biochemistry in graduation degree. The faculties from the department evaluated the write-ups and came up with the first three best write-ups as follows:

- (1) Chiranjib Podder
- (2) Susavan Chanda
- (3) Soumyajit Chakraborty

Benefits/outcome of the initiative for the students:

The sole purpose of conducting the essay competition was to encourage the first year students who just got admitted in the graduation program. By cultivating the reasons and thinking deeply about the subject the students would themselves get a motivation to study Biochemistry. This would help them to open up and to come into interaction with their peers as well as mentors.
