- BRIEF REPORT ABOUT THE EVENT/ PROGRAMME: UG Students of semesters 2 and 4 attended the programme which proved to be both interactive and interesting. The students delivered lectures about different aspects of Biodiversity, besides presenting informative posters. A debate was held on 'Botanical Excursions are a threat to Biodiversity' which proved highly engaging and thought-provoking. This was followed by a Quiz Competition which was conducted by Dr. Mithu Biswas and Dr. Anindita Dey.
- EXPECTED OUTCOME: The students would get to know about the importance and significance of Biodiversity, threats to biodiversity, the need of conservation, techniques of conservation and the different biodiversity hotspots.
