- **BRIEF REPORT ABOUT THE EVENT/ PROGRAMME:** The *Career Counselling and Training Programme*, Asutosh College, in collaboration with *Techno India University, Kolkata* and *IQAC, Asutosh College*, successfully organized a one-day workshop titled “*Using AI in Building Careers (From Learning to Leading)*” on 22nd September 2025 at the Seminar Hall, Centenary Building.

The session commenced with a welcome address introducing the theme of AI as a catalyst for academic and professional advancement. The distinguished resource persons from Techno India University, namely **Dr. Debasmita Das**, **Dr. Maumita Sengupta**, and **Mr. Dibbokomol Mitra**, delivered insightful lectures highlighting the intersection of artificial intelligence, education, and employability. They discussed how AI-driven innovations are reshaping career landscapes, emphasizing adaptability, critical thinking, and ethical awareness in technology use.

The interactive discussion and Q&A session allowed participants to reflect on their own learning trajectories and the skills needed to transition from “learning to leading” in the AI era. The workshop concluded with words of appreciation for the speakers and organizing team for creating a meaningful learning experience that bridged academic understanding with real-world applications.

- **EXPECTED OUTCOME:**
 - a) Enhanced understanding of AI applications in education and professional development
 - b) Improved awareness of the skills required in AI-integrated career paths
 - c) Motivation among students to embrace technology for future leadership roles
 - d) Encouragement to explore interdisciplinary learning between technology and humanities
