

Debate Competition

Department: Chemistry

ASUTOSH COLLEGE
(Estd. 1916)
92, S.P. MOOKERJEE ROAD, KOLKATA-700 026

Department of Chemistry
In Association with IQAC, Asutosh College

Presents,
DEBATE COMPETITION

Topic: Bio-fuel is the future over fossil fuel

Event Date: 24th February, 2022 from 1:00 pm onwards
Venue: Department of Chemistry, Asutosh College

Interested students are requested to send their details at: chemistry.ug@asutoshcollege.in
Before 21st February 2022.

Title of the event: Debate on “Bio-fuel is the future over fossil fuel”

Organising Committee & Convenor / Coordinator: Dr. Srijita Basumallick,
Dr. Manas Kumar Biswas, Dr. Monoj Kumar Barman

Judges: Dr. Madhusudan Banerjee , Dr. Prasenjit Pandey , Dr. Niladri Sekhar
Karan

Summary of the initiative: Biofuel, any fuel that is derived from biomass— that is, plant or algae material or animal waste. Since such feedstock material can be replenished readily, biofuel is considered to be a source of renewable energy, unlike fossil fuels such as petroleum, coal, and natural gas. This is one of the most advanced research topics in chemistry and is necessary for a cleaner, greener environment. Our proposal is to educate our students about this topic so that they can get benefits from this debate.

Benefit/outcome of the initiative for the students: Students have learned the benefits and doubts over bio-fuel. They have understood the future of bio-fuel and in which direction research should proceed.

Results: First-Puja Gope;

Second- Pavel Biswas; and

Third- Swarnayu Bhowmik.
