REPORT

Interactive Faculty-Guardian-Student Meet organised by the Department of Chemistry, Asutosh College

TITLE OF PROGRAMME: Interactive Faculty-Guardian-Student Meet

THEME OF THE PROGRAMME: Meaningful discussion amongst faculty, student and guardian for our students' overall development.

ACADEMIC SESSION: 2023-2024

DATE: 4th May, 2024

VENUE: Room no 7, Main Building, Asutosh College, Kolkata

OBJECTIVE/ PURPOSE:

- To engage in a productive and meaningful students discussion amongst faculty, student and guardian for our students' overall development.
- ² To address the concern of students and guardians, if any.
- **D** To spread awareness amongst guardians about the academic system of the college.
- To incorporate suggestions from guardians for the betterment of student's academic excellence.

TARGET AUDIENCE/ PARTICIPANTS: Students from Semester 2, Semester 4 and Semester 6 of Chemistry Department, along with their parents/guardian.

BRIEF REPORT ABOUT THE EVENT/ PROGRAMME:

The Department of Chemistry organized an Interactive Faculty-Guardian-Student Meet on the 4th of May, 2024 in the Main Building of Asutosh College, Kolkata at 12 noon. A team of faculty members from the Department of Chemistry consisting of Dr. Keya Ghosh, Dr. Srijita

Basumallick, Dr. Niladri Shekhar Karan, Dr. Paramita Das, Dr. Manas Kumar Biswas, Dr. Ipsita Bhattacharya, Dr. Monoj Kumar Barman and Dr. Arpita Roy were present at the venue to engage in a productive discussion with students of Semester 2, Semester 4 and Semester 6 and their guardians.

The faculty members discussed the importance of students being regular to classes for their studies and read more books rather than notes. A detailed discussion was done on the academic system of the college. Guardians and students were encouraged to put across their opinions and suggestions for improvement if any. Some important suggestions were put forward by the guardians. Students were encouraged to be more participative and interactive in their classes. The program came to an end with a pleasant note.

EXPECTED OUTCOME:

- > Increased awareness amongst guardians about the academic structure.
- Increased participation and interaction from students in their classes.
- Image: Better attendance in classes.
- Development of a good bond amongst faculty-student-guardian that can enable them to approach the faculties for any sort of assistance without hesitation.
- Increased awareness among students to read more books rather than notes.
