

Poster Competition

Department: Chemistry

The image is a poster for a chemistry competition. It features the Asutosh College logo on the left, which includes the text 'ASUTOSH COLLEGE', 'AFFILIATED TO UNIVERSITY OF CALCUTTA', and 'ESTD - 1916'. To the right of the logo, the college's name 'ASUTOSH COLLEGE' is written in large blue letters, followed by '(Estd. 1916)' and the address '92, S.P. MOOKERJEE ROAD, KOLKATA-700 026'. Below this, it says 'In Association with Department of Chemistry and IQAC, Asutosh College'. The word 'Presents,' is followed by 'POSTER COMPETITION' in red. A box contains the topics: 'Topic: A) Safety in Laboratory', 'B) Bio-fuel', and 'C) Atomic Model'. At the bottom, it asks interested students to send details to 'chemistry.ug@asutoshcollege.in' before 10th March 2022. The background shows laboratory glassware like flasks and test tubes.

Department of Chemistry and IQAC, Asutosh College

Presents,
POSTER COMPETITION

Topic: A) Safety in Laboratory
B) Bio-fuel
C) Atomic Model

Interested students are requested to send their details at: chemistry.ug@asutoshcollege.in
Before 10th March 2022.

Title of the event: Poster on

1. Safety in Laboratory
2. Bio-fuel
3. Atomic Model

Organising Committee & Convenor / Coordinator: Dr. Keya Ghosh, Dr. Niladri Sekhar Karan, Dr. Monoj Kumar Barman

Judges: Dr. Keya Ghosh , Dr. Manas Kumar Biswas

Summary of the initiative: Posters provide an alternative to the lab report for fostering written scientific communication skills, as well as the opportunity to hone oral communications skills. Poster assignments promote student engagement and help students make connections between lecture information and laboratory work

Benefit/outcome of the initiative for the students: These posters are attached to the wall of chemistry laboratory. Therefore, visually everyone can enrich their knowledge by just roaming around the laboratory. This poster making competition will give the concept and the confidence to the students for future research oriented poster making purpose.

Results: First-Chitralkha Palui;

Second- Swapnanil Goswami, Monisankar Roy

Third- Neilgreib nandi, Shalini Bagchi, Deepanwita Maiti.

Laboratory Safety

Some Things to Remember

- That Acid isn't your friend
- Respect that sign
- Don't play Mad Scientist
- Show off the Chemist Style
- Handle Burner with precaution
- No Mobile Phones
- &...

Never Panic

The poster features various illustrations: a beaker with a sad face, a warning sign, a mad scientist, a hand putting on a glove, a lab coat, a mobile phone with a red prohibition sign, and a Bunsen burner. At the bottom, there are several colorful laboratory glassware items like flasks and test tubes.

THE ATOM

The little solar system
That makes each of us

It's a
wonder. . .
I, a universe
of atoms,
an atom in
the universe
