

One-Day Seminar Lecture-Cum-Interaction on Climate Change and Poster Competition organized by Committee for PG Studies in association with IQAC, Asutosh College.

- **TITLE OF EVENT/ PROGRAMME (SEMINAR/ WEBINAR/ WORKSHOP/ EXTENSION LECTURE/ EXTENSION ACTIVITY/ KNOWLEDGE TRANSFER ACTIVITY/ ANY OTHER ACTIVITY):** Seminar and Poster Competition on Climate Change
- **THEME OF THE EVENT/ PROGRAMME:** Lecture-cum-Interaction on Climate Change
- **DATE:** 25.02.2025
- **VENUE:** Common Room ,Main Building, Asutosh College.
- **COLLABORATOR/S (IF ANY):** Committee for PG Studies in association with IQAC, Asutosh College
- **OBJECTIVE/ PURPOSE:** The objective of the One-Day Seminar Lecture-Cum-Interaction on Climate Change, organized by the Committee for PG Studies in association with IQAC, Asutosh College, is to raise awareness about the causes, consequences, and solutions related to climate change. The seminar aims to provide a collaborative platform for experts, researchers, and students to exchange ideas and discuss sustainable strategies through lectures, interactive sessions, and poster presentations. The inclusion of poster presentations encourages students to explore and visually communicate their research and perspectives on environmental issues. Overall, the event seeks to promote critical thinking, inspire active participation in climate action, and foster a deeper commitment to sustainability and environmental conservation.
- **SPEAKER/S / RESOURCE PERSON/S:** Neela Majumdar (Director, Education and Outreach, South and East Asia) and Nandan Mall (Founder and CMD of Hulladek Recycling)
- **TARGET AUDIENCE/ PARTICIPANTS:** All teaching staffs and students of post graduates departments (Bengali, Botany , Chemistry, Computer Science, Geography , Environmental Science, Zoology) of Asutosh College.
- **ATTENDANCE SHEET** (If available): Available in hard copy.
- **BRIEF REPORT ABOUT THE EVENT/ PROGRAMME:** A One-Day Seminar Lecture-Cum-Interaction on *Climate Change* was organized by the Committee for PG Studies in association with IQAC, Asutosh College. The event included expert talks,

interactive discussions, and student poster presentations focusing on the causes, impacts, and solutions to climate change. It successfully engaged participants in meaningful dialogue and encouraged proactive thinking toward environmental sustainability. Team Computer Science with M.Sc. students Mrinmoy, Suvajit, Rajib and Akash under guidance of Prof. Prabin Subba and Sagarika Kar Chowdhury has won third prize in the poster competition.

- **EXPECTED OUTCOME:** The seminar successfully enhanced awareness among students and participants about the critical issues related to climate change. It encouraged active engagement through interactive discussions and poster presentations, fostering a deeper understanding of sustainable practices. Students gained exposure to current research and were inspired to think critically about environmental conservation. The event also promoted collaboration between students, researchers, and faculty, motivating participants to take responsible and informed steps toward climate action.
