

- **TITLE OF THE EVENT: STUDENTS' SEMINAR**
- **THEME OF THE EVENT: THE GROWTH ASPECT OF INDIAN ECONOMY AND THE POSSIBLE CHALLENGES**
- **DATE: 07.05.24**
- **VENUE: Seminar Hall, Centenary Building, Asutosh College**
- **OBJECTIVE/ PURPOSE:** The students of semester II and IV will develop a brief idea about how to write a concise and impactful term paper and other details like selection of the topic, journal etc., through the presentations of their term papers by the ongoing semester VI students.
- **SPEAKER(S):**
 - 1. Saranya Bhattacharya, Semester VI, Department of Economics, Asutosh College**
 - 2. Paramjit Dutta, Semester VI, Department of Economics, Asutosh College**
 - 3. Samprity Sadhukhan, Semester VI, Department of Economics, Asutosh College**
 - 4. Subhadip Das, Semester VI, Department of Economics, Asutosh College**
- **TARGET AUDIENCE/PARTICIPANTS: Students of semester II and IV of Department of Economics, Asutosh College.**
- **BRIEF REPORT ABOUT THE EVENT:**

In each year, the Department of Economics organises a Students' Seminar on any relevant topic. This year it has been organised on 7th May at the Centenary Building of the College to present four best term papers of semester V students in the presence of the honourable Governing Body member Sri Bhaskar Mridha. The first presentation was done by Saranya Bhattacharya who reviewed the paper "Labour market changes in India, 2005-18", written by Jayan Jose Thomas and published in *Economic & Political weekly*, vol IV (34), in 2020. The second presentation was by Paramjit Dutta who reviewed the paper titled "Poverty and Inequality in India: An Explanatory Analysis", which was written jointly by K.S. Hari & Neelambar Hatti and was published in *Social Science Spectrum* in 2015. The other two presenters were Samprity Sadhukhan whose reviewed paper was "Combating Youth Unemployment in India" by Pravin Sinha in the journal *Friedrich Elbert Stiftung*, published in 2013 and Subhadip Das whose

reviewed paper was “Youth Employment and Unemployment in India” written jointly by S. Mahendra Dev & M. Venkatanarayana in *IGIDR Journal* in 2011.

- **EXPECTED OUTCOME:**

- A better understanding about how to prepare an impactful and good quality term paper by the semester II and IV students
- Hands on Learning for semester II and IV students on effective ways to select a paper to be reviewed for the Tutorial Term Paper project
- Beneficial for the students- allowing them to grasp the entire assignment of paper review
- Provision of an interactive platform among students of different semesters of the department
