

- TITLE OF THE EVENT: **WORKSHOP**
- THEME OF THE EVENT: **DATA VISUALIZATION USING R- HANDS ON TRAINING**
- DATE: **23.08.2023**
- VENUE: **Seminar Hall, Centenary Building, Asutosh College.**
- OBJECTIVE/ PURPOSE: To impart the knowledge of data visualization using some statistical software.
- SPEAKER/ RESOURCE PERSON: **Dr. Jibonayan Raychaudhuri, Associate Professor, School of Economics, University of East Anglia, Norwich, UK.**
- TARGET AUDIENCE/ PARTICIPANTS: **Semester V students**
- BRIEF REPORT ABOUT THE EVENT: The students were taught the basic skills of data visualization using real datasets with the help of a statistical software. The hands on training using the R software was very much effective for the students
- EXPECTED OUTCOME: This interactive session was very much helpful in providing the exposure to practical application of the knowledge of statistics and econometrics gained by the students in the previous semesters and a direction towards further learning in the area of data visualization.
