EVENT: EMINENT ALUMNI EXTENSION LECTURE

Date:27/07/2023

Venue: Seminar Hall, Centenary Building

Title of the event: Probability and its Application in Economics

Speaker: Dr. Bidisha Chakraborty

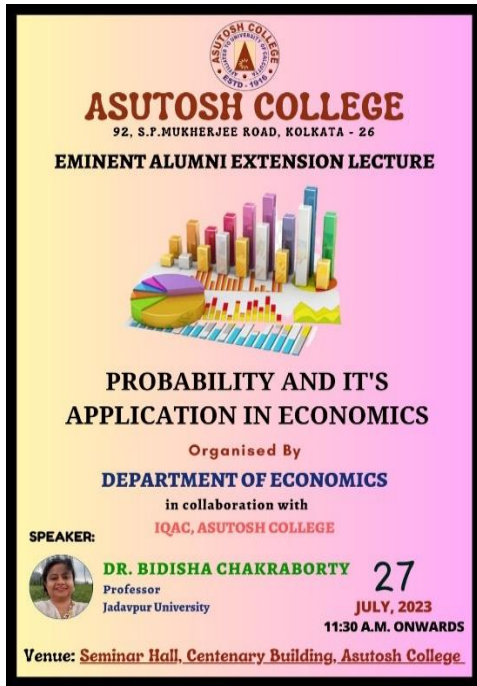

Name of the Department: *Economics*

Organizing Committee: Department of ECONOMICS& IQAC, Asutosh College

Summary of the event: On 27th July 2023, the Department of Economics organized an alumni lecture by Dr. Bidisha Chakraborty, Professor, Department of Economics, Asutosh College. It is indeed an honour for the department to have such successful alumni delivering to the present batch of students. The program was chaired by Smt. Suparna Basu, Associate Professor, Department of Economics was also her teacher during her undergraduate days at Asutosh College. The inauguration was done by Dr. Nandini Mukherjee, Head of the Department of Economics. The program was conducted by Smt. Senjuti Ghosh Das and the vote of thanks was given by Dr. ManiparnaSyamRoy. The students have statistics as a part of the course curriculum so linking probability with economics was an enlightening lecture session for them.

Benefits/outcome of the initiative for the students: The seminar was for all students of semesters 2 and sem 4 since the topic was an extended part of their course with application orientation. This interactive seminar was very effective and helpful for the students as they could learn the application of probability in the field of Economics.

IMAGES:

EVENT :STUDENTSLECTURE SERIES-I

Date: 08/08/2022

Venue: Seminar Hall, Centenary Building

Title of the event: “ASPECTS OF INDIAN ECONOMY”

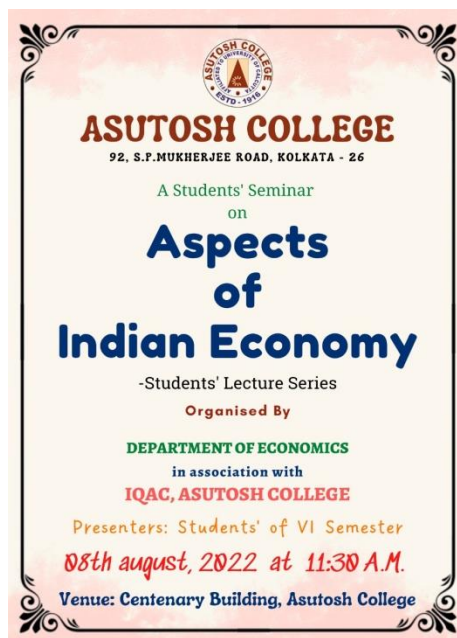

Name of the Department: *Economics*

Organizing Committee: Department of ECONOMICS & IQAC, Asutosh College

Summary of the event: Four students of Semester VI, 2022, namely, Prithu Ghosh, Sneha Shaw, Suvangi Saha, and Saranya Chatterjee, presented the reviews of four articles on various aspects of the Indian economy, published in peer-reviewed journals. These students were selected on the basis of their performance in the tutorial examination of one of their core courses in economics, viz. Indian Economy. At the end, these students were also given certificates for their presentations.

Benefits/outcome of the initiative for the students: The students of semesters III and V who have attended the lectures have learned how to select, review, and present a peer-reviewed article through PowerPoint. The presentations also enabled the students to acquire some knowledge about the Indian economy through the writings of some eminent economists. Both the speakers and the attending students also gained insight into the limitations of these articles through the question-and-answer session during the lecture. This interactive session enhanced the bond between the senior and junior students in the department too.

IMAGES:

EVENT : EDUCATIONAL TRIP: Reserve Bank of India museum visit

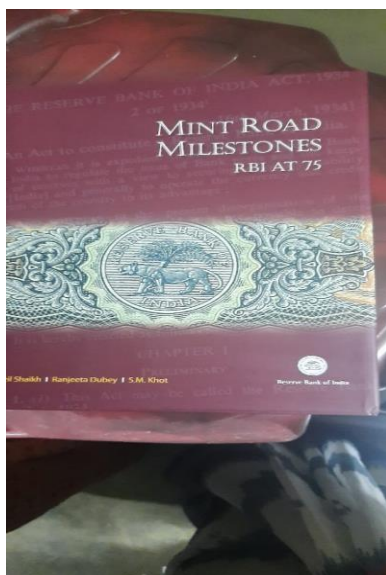

Date: 05.04.2023

Name of the Department: *Economics*

Summary of the event: The sixth-semester students were taken to the Reserve Bank of India museum on 5.4.2023. The program was scheduled after settling the dates with the concerned Reserve Bank of India officials. Around 22 students joined the program. They were accompanied by two teachers of the Department. On arrival, the curator of the museum gave a wonderful presentation showing in detail the history of the Reserve Bank of India. Then the students were shown the transition from the barter economy to the money economy, artefacts relics of yester years as well as a present-day monetary system. They were also shown how RBI printed bonds in previous years. The curator was with the students all throughout the visit explaining the significance of all displayed items of the museum.

Benefits/outcome of the initiative for the students: The students enjoyed their visit. They learned about RBI and its policies on monetary instruments as a part of their course curriculum. Through the displayed items, they could link with what they have learned. It was a good experience for them.
