➤ **BRIEF REPORT ABOUT THE EVENT:**

National Science Day is celebrated in India on each year to mark the discovery of the Raman effect by the Indian physicist Sir C.V. Raman on 28th February 1928. For his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930. The department of Mathematics, Asutosh College in association with the department of Electronics celebrated this day with great enthusiasm this year on 7th March, 2025. This year the theme of national science day was

‘Empowering Indian Youth for Global Leadership in Science and Innovation for Viksit Bharat’.

The department had celebrated this day on 7th March, 2025 with a Power Point presentation by the students of the department. The topic on which presentations were delivered was:

‘Empowering Indian Youth for Global Leadership in Science and Innovation for Viksit Bharat’.

The topic of the presentation explains how empowering Indian youth for global leadership in science and innovation is important for Viksit Bharat. Various fields of science may be used as tools to discuss the intricacies of the selected topic. Students participated in groups as well as individually. They prepared Powerpoint presentations and presented them in the department. Some of the fields on which the students prepared their presentation were Astronomy, Computer Science etc.

The names of the groups of the participatory groups along with their topic of presentation are given below:

- Group 1.

Md. Shahzad (Sem-6)

Manish Dey (Sem-6)
