REPORT ON VISIT TO ALIPUR JAIL MUSEUM

ON 28th March 2024, around 40 students of the 5th Semester, Department of English, were taken to the Alipur Jail Museum which is a short distance from college. They were accompanied by two professors from the department, Shri Ashis Sahu and Dr. Arup Pal.

The museum, inaugurated in 2022, focuses on events and personalities of the Indian freedom struggle. The site is of historic importance since many of our freedom fighters had been jailed or hanged in this very space. Hence, the rich history of the museum offers visitors an immersive experience.

Our students visited all the spaces and galleries. They thoroughly enjoyed the experience and found the visit very informative.
