

## ACTIVITIES

- **Special Lecture on Aphra Behn's *The Rover***

**Delivered by Dr. Anuradha Mukherjee**

**Date: 12 September, 2019 Venue: Seminar Hall, Asutosh College Centenary Building**

Students of the department (3rd Semester) were much benefited by a Special Lecture delivered by Dr Anuradha Mukherjee, Associate Professor and Head, Department of English, Vivekananda College, Thakurpukur, on 12 September 2019.

The topic for the day was Aphra Behn's *The Rover* which had made its first appearance in the Calcutta University syllabus for English Honours with the introduction of the CBCS from the 2018 -19 academic session.

*The Rover* is a text packed with complexity and most people outside academia are not familiar with it. Students also find it a slightly difficult text to handle, and hence the decision to arrange a special lecture by an expert in the field.

Dr Mukherjee's area of specialisation is British drama, and her passionate and incisive analysis was greatly enjoyed by students and faculty members alike.
