

## **Seminar Report**

**Title of Event:** Alumni Talk Series, 2024  
**Theme:** 3D Bioprinting with advanced materials: 3D Bioprinting with advanced materials: towards a sustainable development and circular economy  
**Name of the Dept:** Environmental Science  
**Academic Session:** 2023-2024  
**Date of Celebration:** 22.01.2024  
**Venue:** Seminar Hall, Centenary Building

**Objective:** The Seminar was a part of the Alumni lecture series organized by Department of Environmental Science in association with IQAC, Asutosh College. It was conducted to:

- To provide students with valuable career insights, guidance, and advice from alumni who have successfully forged careers in diverse environmental sectors.
- Bringing alumni back to share their experiences, the lecture series creates networking opportunities, fostering connections between current students and professionals in environmental science.
- To discuss current trends, emerging technologies, and evolving practices in environmental science, ensuring that students are well-informed about the latest developments in the field.
- To inspire and motivate students by showcasing the accomplishments and journeys of successful alumni, encouraging them to pursue impactful careers in environmental science with passion and determination.

**Participants:** Undergraduate and Post Graduate Students of Department of Environmental Science, Asutosh College.

**Program:** The program was hosted by Dr. Sayanti Kar. Inauguration was done by Dr. Sraboni Roy, IQAC Coordinator, Dr. Rina Kar Dutta, Teacher's Council Secretary, Prof. Sajal Bhattacharya and Dr. Shramana Roy Barman, Head, Department of Environmental Science.

Lecture delivered by Dr. Prosenjit Saha, Associate Professor Centre for Interdisciplinary Sciences, JIS Institute of Advanced Studies and Research Kolkata, JISU University. Dr. Prosenjit Saha is an esteemed alumnus of the Department of Environmental Science, Asutosh College.

During the program's concluding phase, a group discussion on environmental issues was arranged, providing a platform for numerous students to express their perspectives and inquiries regarding various environmental challenges. vote of thanks was given by Dr. Subhayan Dutta.

**Seminar Outcome:** The alumni lecture in Environmental Science resulted in enhanced practical understanding, networking opportunities, and inspiration for students, fostering a stronger sense of community within the department.
