

Seminar Report

Title of Event:	Alumni Talk Series, 2025
Theme:	online alumni talk on ‘Tracking the Grey Ghost in the Greater Himalayan Mountains of Kishtwar range, Jammu and Kashmir’
Name of the Dept:	Environmental Science
Academic Session:	2024-2025
Date of Celebration:	07.05.2025
Venue:	Seminar Hall, Centenary Building

Objective:

The seminar was a part of the Alumni Lecture Series organized by the Department of Environmental Science in association with IQAC, Asutosh College. It was conducted with the following aims:

- To provide students with valuable career insights, guidance, and advice from alumni who have established successful careers across diverse sectors within environmental science.
- To facilitate the return of alumni to share their professional experiences, thereby creating networking opportunities and fostering meaningful connections between current students and professionals in the field.
- To discuss current trends, emerging technologies, and evolving practices in environmental science, ensuring students are updated with the latest advancements and industry developments.
- To inspire and motivate students by highlighting the achievements and career journeys of distinguished alumni, encouraging them to pursue impactful careers in environmental science with passion and determination.

Participants: Undergraduate and Post Graduate Students of Department of Environmental Science, Asutosh College.

Program: The program was hosted by Dr. Arijit Chatterjee. Inauguration was done by Dr. Shramana Roy Barman, Head, Department of Environmental Science.

Lecture delivered by Oyndrila Sanyal, Consultant, Wildlife Trust of India. Ms. Oyndrila Sanyal is an esteemed alumnus of the Department of Environmental Science, Asutosh College.

During the program's concluding phase, a group discussion on environmental issues was arranged, providing a platform for numerous students to express their perspectives and inquiries regarding various environmental challenges. Vote of thanks was given by Dr. Arundhati Ganguly.

Seminar Outcome: The alumni lecture in Environmental Science resulted in enhanced practical understanding, networking opportunities, and inspiration for students, fostering a stronger sense of community within the department.
