Date: Saturday, 29th November, 2025 **Time:** 12:30 P.M. onwards
Venue: Seminar Hall, Centenary Building, Asutosh College

- **Brief report:**

The Alumni Talk was successfully organized by the Department of Environmental Science. The programme commenced with a floral tribute to the portrait of Sir Asutosh Mukherjee, marking a respectful beginning to the event. This was followed by the felicitation of the resource person, Mr. Anindyo Mukherjee, alumnus of the 2005–2007 batch, and the Vice President of the Alumni Association, Dr. Sajal Bhattacharya, retired Associate Professor of Zoology, Asutosh College. The programme was further graced by the presence of Dr. Shramana Roy Barman, Head of the Department. The distinguished speaker emphasized how students can prepare themselves by studying Environmental Science and understanding its applications in the corporate world. He highlighted the importance of skill-based courses alongside UG and PG curricula, discussed the growing demand for the subject beyond academia, and stressed its real-world applications. The session was interactive, engaging, and concluded successfully with enthusiastic student participation.
