

## Seminar Report

**Title of Event:** Planet Vs Us  
**Theme:** Commemorating Earth Day 2024  
**Name of the Dept:** Eco Club in association with Environmental Science  
**Academic Session:** 2023-2024  
**Date of Celebration:** 23.04.2024  
**Venue:** Seminar Hall, Centenary Building

**Objective:** The Seminar was organized by Eco Club in association with the Department of Environmental Science and IQAC, Asutosh College, to commemorate Earth Day 2024. The objective of the program was to raise awareness about environmental issues and the need for conservation and sustainability. This year the theme was based on plastic pollution and the focus was to encourage individuals, communities, and organizations to adopt eco-friendly practices and reduce their environmental footprint.

**Participants:** Undergraduate students of journalism and mass communication Undergraduate and Post Graduate Students of Department of Environmental Science, Asutosh College.

**Brief report of the Programme:** The seminar was hosted by Dr. Sayanti Kar and Sri. Vincent Souvik Gomes. Welcome address was given by Dr. Shramana Roy Barman, Head, Department of Environmental Science.

Lecture was delivered by Dr. Prantik Banerjee, Assistant Professor, Department of Environmental Science, School of Basic and Applied Science, Adamas University, Barasat. During the program's concluding phase, a group discussion on environmental issues related to plastic usage and pollution was arranged, providing a platform for numerous students to express their perspectives and inquiries regarding various environmental challenges.

An extempore speech competition was conducted for the students where 12 students participated and the event was judged by Dr. Santanu Chowdhury and Smt. Sritama Chowdhury.

The following students were declared winners:

1<sup>st</sup> -Rudra Roy, PG 4<sup>th</sup> Sem, Department of Environmental Science.

2<sup>nd</sup> -Arpan Mondal, UG 6<sup>th</sup> Sem, Department of Environmental Science

3<sup>rd</sup> -Shreya Mukherjee UG 4<sup>th</sup> Sem & Hrishiraj Majumder PG 4<sup>th</sup> Sem, Department of Environmental Science.

Vote of thanks was given by Dr. Subhayan Dutta.

### **Seminar Outcome:**

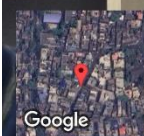

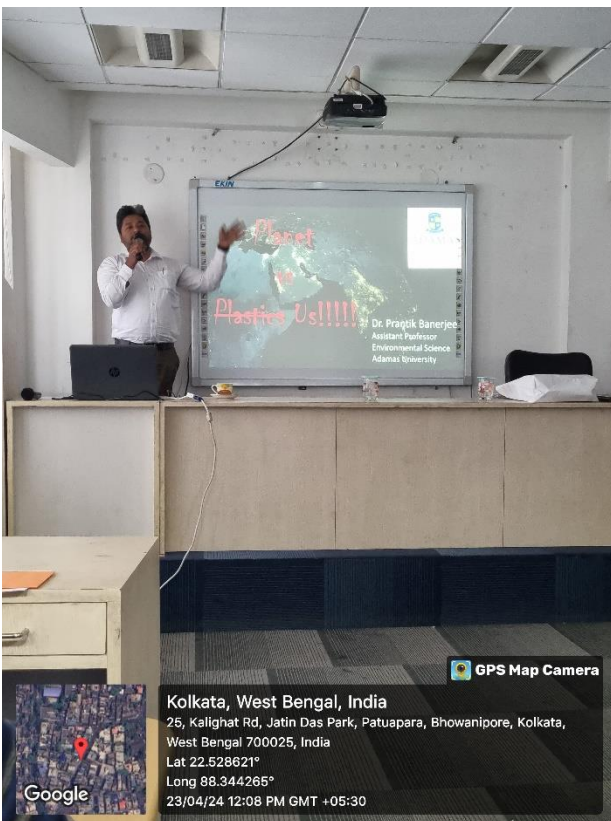

The Earth Day seminar successfully raised awareness about pressing environmental issues and the urgent need for action. Attendees gained valuable knowledge about topics like climate change, plastic pollution, deforestation, and sustainable living practices. Engaging presentations, expert speakers, and thought-provoking discussions inspired participants to make eco-friendly changes in their daily lives. The seminar fostered a sense of community and collective responsibility towards protecting our planet. Attendees left feeling empowered with practical tips and strategies to reduce their carbon footprint, conserve natural resources, and support local conservation efforts. The Earth Day seminar served as a catalyst for positive change, encouraging individuals to adopt a more sustainable lifestyle and actively contribute to creating a greener, healthier Earth for future generations.
