I am Barry B. Benson, Beech and Beehive, I am home in BEEHIVE

IN THE SEAR

Departments of Environmental Science, Deshbandhu College for Girls, Asutosh College and Vivekananda College, Thakurpukur, had collaborated to observe the International Day of Biological Diversity on 22nd May 2023 by organizing an Inter-College Online Drawing Competition. Our aim was to instill a sense of appreciation in the hearts of the students towards the different life forms on earth.

We have been overwhelmed by the response, the beautiful artworks from students from various Institutes (as many as 15 reputed institutions). We salute the talent of each of you, acknowledge the message that you have conveyed through your canvas. In our eye, each one of you is a winner and all of your artwork needs to be showcased. But to respect the sentiment of the Competition, today, we bring out the name of the Winners.

Special thanks to Dr. Arijit Chatterjee, Faculty, Department of Environmental Science, Asutosh College for being our Special Jury for the event. Our earnest gratitude to the Head of the Institutions of the three collaborating Colleges, Dr. Anita Chattopadhyay Gupta, Principal, Deshbandhu College for Girls, Dr. Manas Kabi, Principal, Asutosh College and Dr. Tapan Kumar Poddar, former Principal & Dr. Manindra Nath Pandit, Teacher-in-Charge of Vivekananda College, for providing us the support and encouragement althrough.

Wishing everyone a very happy
