➤ **BRIEF REPORT ABOUT THE EVENT/ PROGRAMME:**

The Alumni meet was held on 16th June. The event was hosted by Dr. Subhayan Dutta. The welcome address was given by Dr. Shramana Roy Barman, HOD of Environmental Science. Dr. Sajal Bhattacharya, President of the Alumni Association at Asutosh College, delivered an important speech about the college's journey and the significance of the Alumni Association in benefiting both the institution and its current students. This program was inaugurated by watering a plant, led by our esteemed guest Dr. Sajal Bhattacharya and other faculty members. More than a hundred alumni, current students, and non-teaching staff from our department participated in this event. A wonderful cultural event was organized by our current students, followed by a productive interactive session with our alumni. Several well-established alumni offered valuable advice on future prospects, and current students engaged positively with the alumni. Vote of thanks was delivered by Dr. Arundhati Ganguly.

- **EXPECTED OUTCOME:** Alumni meet in the Department of Environmental Science aims to strengthen networking among alumni, students, and faculty, fostering professional collaborations and mentorship opportunities. By sharing knowledge on the latest research and industry trends, the event enriches the academic environment. Additionally, it supports fundraising efforts, celebrates alumni achievements, gathers valuable feedback for program improvement, and opens up career opportunities for students, thereby enhancing the department's overall growth and impact.
