

**Asutosh College
Department of Geology
Laboratory Facilities**

**Trinocular Stereozoom Microscope for
Micropalaeontology**

**Trinocular Polarising Microscope for Petrology
and ore microscopy**

**Trinocular Polarising Microscope for Petrology
and ore microscopy**

Microscopes for Microfossil study

Petrography Laboratory

Petrography Laboratory

Rock cutting machine

Rock thin section preparation system

Hot-air Oven for Coal Geology and
Environmental Geology

Furnace for Coal Geology and Environmental
Geology

Magnetic Susceptibility and Magnetic
Anisotropy

Electrical Resistivity Meter

Ore Microscopy facility
