BRIEF REPORT ABOUT THE EVENT/ PROGRAMME: The Department of Geology, Asutosh College, successfully organized a grand reunion event that witnessed an overwhelming response, with around 400 participants in attendance. The gathering brought together a vibrant mix of people who have shaped and contributed to the legacy of the department over the years — including all current faculty members, former faculty, alumni spanning several decades, and current students. The event was a heartwarming celebration of shared memories, achievements, and the enduring spirit of the department.

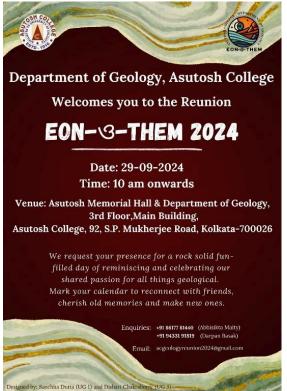

The programme began with a warm welcome and inaugural session, followed by speeches from senior faculty and dignitaries. One of the highlights of the event was the memory-sharing segment, where the oldest alumni took the stage and shared their experiences, anecdotes, and nostalgic moments from their student days. Their stories beautifully reflected the evolution of the department and left a deep impression on the younger audience. A lively series of cultural performances followed, showcasing the talents of both alumni and current students. These included classical and contemporary music, dance, poetry recitations, and skits — all reflecting the deep bond everyone shared with the department. The performances were met with enthusiastic applause and brought a festive atmosphere to the event. A grand gala lunch was served, offering a chance for informal conversations, photo sessions, and reunions among friends, teachers, and batchmates. The afternoon saw further interactions, exchange of contact information, and the reliving of cherished college memories in a relaxed and joyous setting. The event culminated with an electrifying evening band performance by a former student and his music group. Their energetic and soulful music brought the entire gathering together once again, making it a perfect end to a day filled with warmth, camaraderie, and celebration.

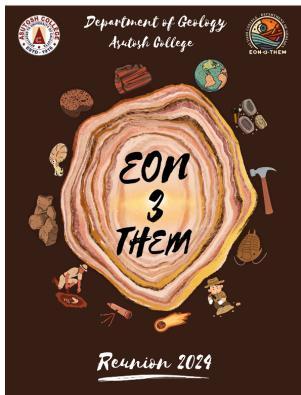

The reunion served not just as a platform for reconnecting with the past but also as a reaffirmation of the strong academic and emotional ties that bind the Geology Department community. It was a memorable and emotionally fulfilling experience for everyone involved and is sure to be cherished for years to come.

□ **EXPECTED OUTCOME:** The grand reunion event is expected to strengthen the bond between alumni, current students, and faculty members, fostering a sense of belonging and pride within the Geology Department community. It aims to create a

supportive alumni network that can contribute to the academic and professional development of the department and its students. By reviving shared memories and celebrating the department's legacy, the event is also expected to inspire current students through interactions with successful alumni. Additionally, it opens avenues for future collaborations, mentorship opportunities, and institutional growth through continued alumni engagement.
