Madam,

As per the verbal instruction from the Vice Principal, the faculty members of the Department of Geology have organized a meeting on 30/08/2018 to discuss the allegations made in the anonymous letter dated 30/06/2018 found in the Grievance Box of the college.

After much deliberations and consideration, we unanimously came to the conclusion that the allegations brought forward by the above mentioned letter are absolutely baseless and intended to malign this department.

This is for your kind information and record.

**Best Regard,**

**Teachers of the Department of Geology present in the meeting.**
