- **Venue:** A Photography Exhibition titled “Lenses: Through and Beyond” was organised by the Department of Journalism and Mass Communication, Asutosh College, in collaboration with IQAC on 19th August 2025 to mark World Photography Day.
- **Objective:**
The primary objective of the exhibition was to encourage young talents to explore the art of photography and provide them with a platform to showcase their creativity. It also aimed at highlighting photography as a medium that not only captures moments but also narrates emotions, culture, and social realities.
- **Target Audience:** Students and faculty members of Asutosh college
- **Brief Report:**

The event took place at the Students’ Common Room, Main Building (1st Floor) of Asutosh College and commenced at 1 PM onwards. The exhibition showcased a wide range of creative and thought-provoking photographs based on different themes that reflected unique perspectives, artistic skills, and storytelling through visual frames.

➤ **Expected outcome:**

The exhibition received enthusiastic participation from students, faculty members, and photography enthusiasts. It created a vibrant space for creative exchange, appreciation of art, and constructive discussions. The initiative successfully motivated students to experiment with visual storytelling and contributed to nurturing their creative confidence.

All present extended their warm appreciation and the programme concluded successfully.
