

Title of the Event/Programme:

Seminar titled 'Scientific Approach to Social Science Research Methodology'

Theme of the Event/Programme: Scientific Approach to Social Science Research Methodology

Academic Session: 2025–2026

Date: 9th December 2025

Venue: Seminar Hall, Centenary Building, Asutosh College

Objective / Purpose:

The primary objective of the seminar was to familiarize students and faculty members with the scientific approach to social science research. The programme aimed to enhance understanding of research methodology, encourage critical and analytical thinking, and promote academic rigour in social science research practices.

Resource Person: Dr. Sumanta Dutta, Assistant Professor, Postgraduate and Research, Department of Commerce (M.Com.), St. Xavier's College (Autonomous), Kolkata

Participants: Students and faculty members of the Department of Journalism & Mass Communication, Asutosh College.

Brief Report about the Programme:

The Department of Journalism & Mass Communication, Asutosh College, organised a seminar on The Scientific Approach to Social Science Research Methodology on 9th December 2025 in collaboration with the Research & Development Cell and IQAC, Asutosh College. The seminar was held at the Seminar Hall, Centenary Building.

The session was conducted by Dr. Sumanta Dutta, who delivered an insightful and comprehensive lecture on the importance of adopting a scientific approach in social science research. He discussed various aspects of research methodology, including research design, data collection techniques, hypothesis formulation, and the significance of objectivity and validity in academic research. The speaker also highlighted common challenges faced by researchers and provided practical guidance to overcome them.

The seminar was interactive in nature, with participants actively engaging in discussions and seeking clarifications. The session proved to be highly beneficial, especially for students interested in research and higher studies.

Expected Outcome:

The seminar helped participants develop a clearer understanding of scientific research methodology in social sciences. It enhanced their analytical skills, research orientation, and preparedness for undertaking academic research projects. The programme also motivated students to adopt systematic and ethical research practices.
