

## **Report of the National Mathematics Day, 2022 celebrations**

**Occasion: 135<sup>th</sup> Birth Anniversary of Srinivasa Ramanujan.**

**Date: 22<sup>nd</sup> December, 2022.**

**Venue: Department of Mathematics.**

### **Activities**

#### **1) Presentation on the Life and Works of Srinivasa Ramanujan :**

Three students of first semester Akshay Adhikary, Swati Dey and Reshmi Das prepared a very interesting presentation depicting the life and works of Srinivasa Ramanujan and presented that beautifully in front of the teachers and other students in the laboratory room of the department. The presentation was divided into three different sections. In first section Akshay discussed about the early life of Ramanujan and his mathematical works. The second section was presented by Swati who discussed at length about the golden ratio. In the last section Reshmi presented the concept of 3-6-9 invented by Nikola Tesla who was a Serbian-American inventor, electrical engineer, mechanical engineer, and futurist best known for his contributions to the design of the modern science.
