➤ **BRIEF REPORT ABOUT THE EVENT/ PROGRAMME:**

Dr. Maitreyee Mandal has delivered an excellent lecture on the topic of Polymerase Chain Reaction (PCR) which was extremely important and relevant for students of semester IV. She has covered the basic principle of PCR, methodology, instrumentation and various types of PCR methods during her lecture. Students have interacted and clarified their doubts after the session.

➤ **EXPECTED OUTCOME:**

This programme is advantageous in many ways; primarily it provides a novel teaching-learning experience to the students and faculties involved. Students are benefited from wider exposure.
