➤ **ATTENDANCE SHEET:**

➤ **BRIEF REPORT ABOUT THE EVENT/ PROGRAMME:**

On the occasion of World Microorganism Day, Extempore Competition was organized by the department of Microbiology between 11:00am - 2:00 pm. A total of 10 students participated and showed their skills through their spoken words. Every contestant received a distinct topic and had a preparation time of two minutes. They were then allotted a two-minute duration to speak on their respective topics, and their performance was evaluated on the basis of their confidence, presentation skills, and fluency.

➤ **EXPECTED OUTCOME:**

Students will develop more confidence and become better orators.
