➤ **BRIEF REPORT ABOUT THE EVENT/ PROGRAMME:**

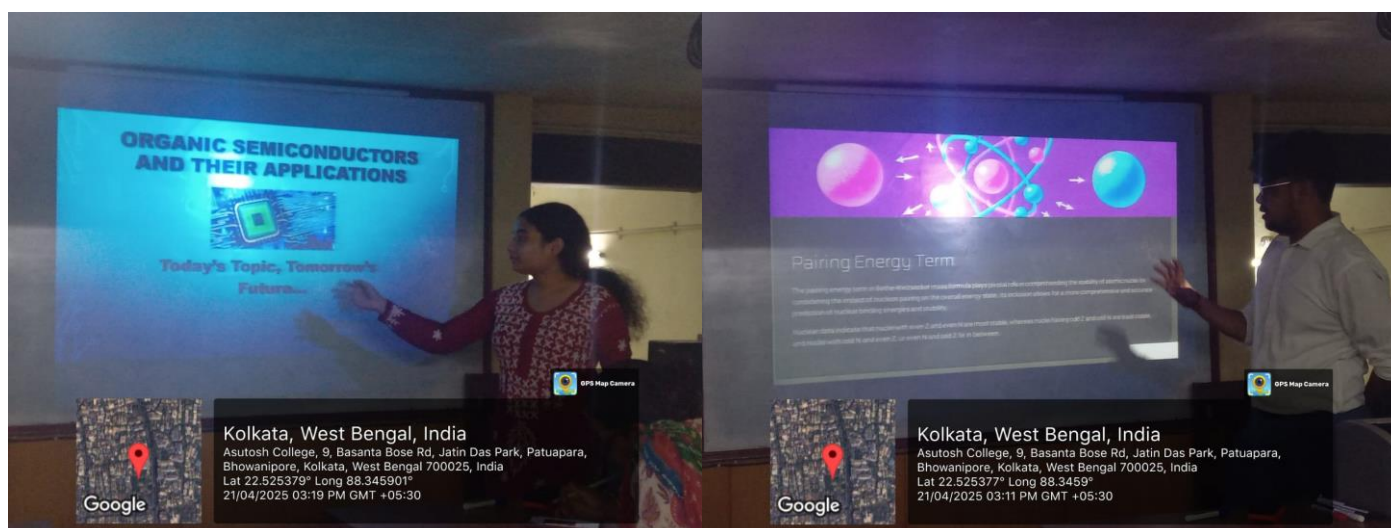

This unique event, that we had been organizing for last few years, was inaugurated in the presense of our honourable and eminent academic personality Prof. Keya Ghosh (Academic Subcommittee Member), alongwith the faculty members of the Department and student participants of the Sixth Semester Honours. With the help of PowerPoint presentation projected via the Desktop PC at Prof. C.R.Basu Memorial Computer Laboratory, students demonstrated various projects ranging from “Structure and Application of Graphene” to “Organic Semiconductors and their application” to “Laser and its Application” to “The Science of Nuclear Batteries”. Details can be found in the attached Participation photograph.

Students were evaluated based on (a) exhibited skills in preparing Seminar, (b) engaging presentation, (c) content of the presentation. Satisfying all these criteria, Mr. Ankush Bakshi earned Rank-1 and Mr. Debendra Kar Majumder & Mr. Diptak Ghosh jointly earned Rank-2 in this event. A token prize was given to them by Dr. Amit Kumar Bhattacharjee (HoD department of Physics). All student participants were given a small prize for participating. Also, a token of prize have been given to Ms. Sanjana Sarkar for securing 35th Rank in NGPE and also for her performance in JAM in 2025.

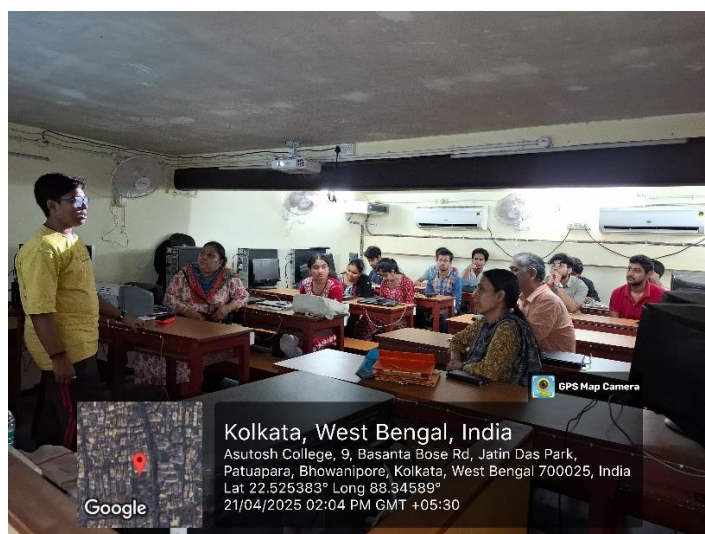

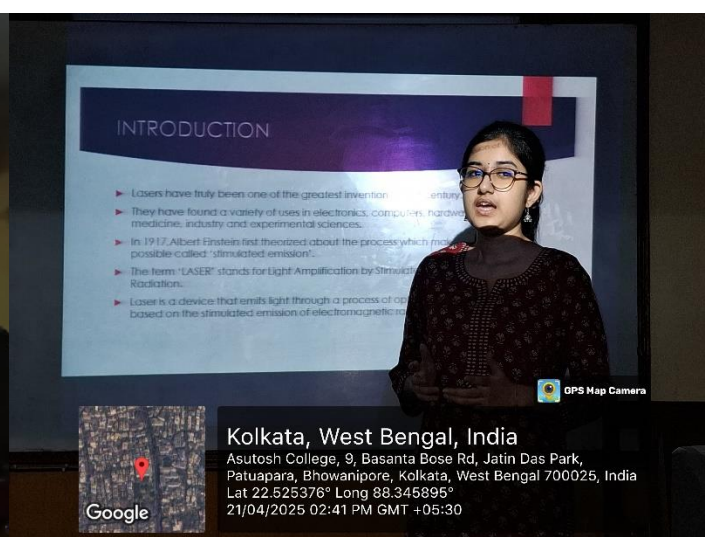

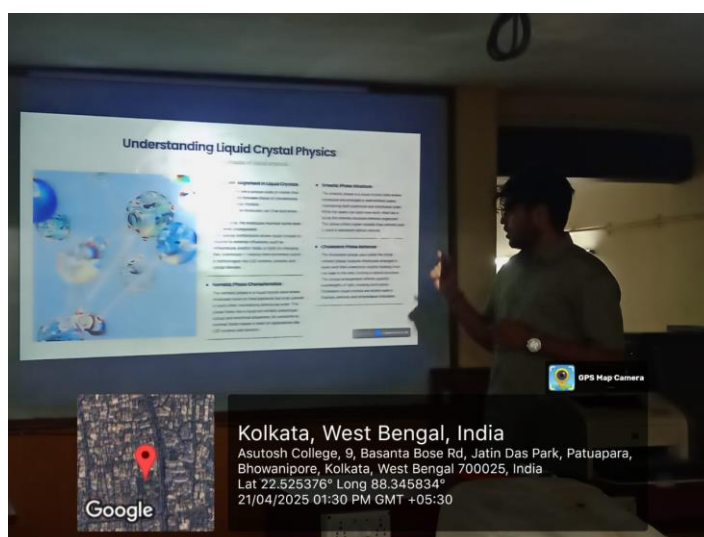

The Workshop ended with a Vote of Thanks. A few memories are attached.
