

**Report of National Science Day, 2022 celebration at department of Physics, Asutosh College**

Department of Physics, Asutosh College has organized a student's seminar on occasion of National Science Day, 2022. Seven Students from semester 4 and semester 6 Physics honours discipline has participated in this event.

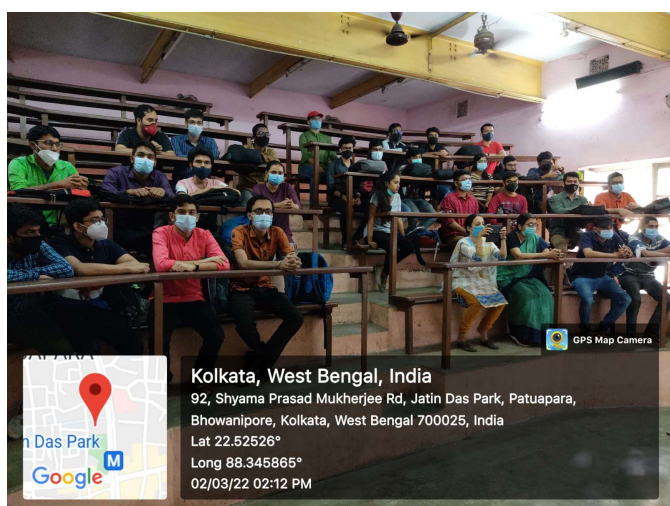

Vice principal Prof Apurba Roy and IQAC member DR. Avik Kundu was present along with departmental teachers and students.

The details of students participated in the event along with the topics they discussed is mentioned in following table.

Serial No.	Name of Student	Semester	Roll Number	Title of lecture
1	Bibek Saha	VI	494	Another approach to understand the Lorentz transformation equations
2	Srijan Chatterjee	VI	276	Magnetism as a relativistic phenomenon
3	Nakshatra Gangopadhyay	VI	945	On the exploration of extra- solar planetary systems
4	Subhrajyoti Bhattacharya	VI	117	Some exploration of Nuclear Physics
5	Supriyo Saha	IV	253	Life cycle of a star
6	Sayantika Mondal	IV	76	The future sources of energy
7	Rohan Majee	IV	1030	Chaos through Nature

Vice Principal Prof. Apurba Ray, IQAC member DR. Avik Kundu and H.O.D Physics Dr. Surjya Sarathi Bhattacharyya inaugurating the science day celebration at physics department asutosh college on 02/03/2022.

Audience with departmental students and teachers

Semester VI student Bibek Saha presenting

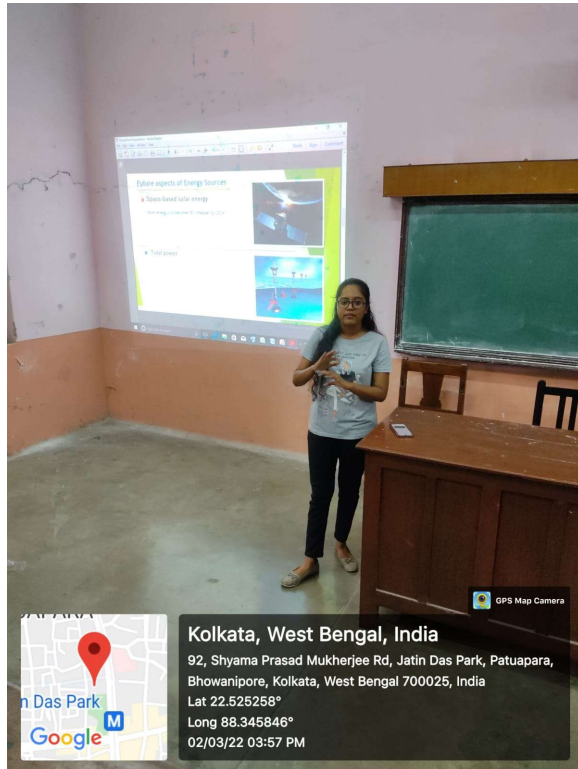

Semester VI student Srijan Chatterjee presenting

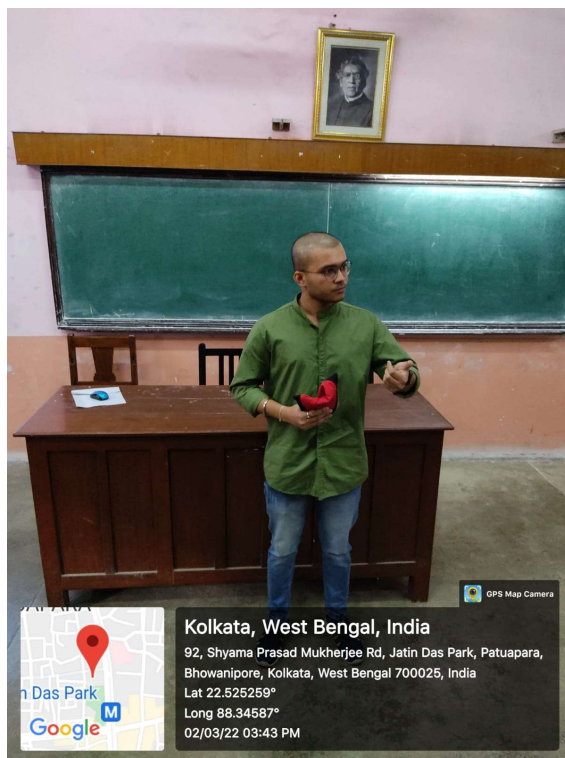

Semester IV student Supriyo Saha presenting

Semester VI student Subhrajyoti Bhattacharya presenting

Semester IV student Sayantika Mondal presenting

Semester IV student Rohan Majee presenting
