# **ASUTOSH COLLEGE**

## **ANNUAL REPORT OF THE PUBLICATION CELL**

**ACADEMIC SESSION: 2023 - 2024**

## **ABOUT THE CELL**

The Asutosh College Publication Cell, initially known as the Publication Division, was established in April 2013, the year of the 150th Birth Anniversary of the college Founder-President, Sir Asutosh Mookerjee, which was celebrated by students and staff of the College in an appropriately grand fashion.

The purpose of setting up the college's very own publication unit was to:

- facilitate all publications by the college including the yearly Prospectus;
- suitably archive various research data from the college's Research Cell;
- make research outcome available more conveniently through in-house publication;
- showcase the achievements of the college;
- publish special/ commemorative volumes, journals and seminar/conference/workshop proceedings.

Since then, the Cell has come a long way and in the last few years has helped to coordinate multiple publications initiatives by different committees/ cells/ units, and some departments, besides completing its own publication projects, which is not limited to the annual college Prospectus any more.
