

Seminar on

“Intellectual Property Rights: Facts and Findings”

Date: 9th September 2022

Venue: BOOST Laboratory

Organised by: BOOST Laboratory, Asutosh College in Association with IQAC,
Asutosh College

Brief Summary

On 9th September 2022, a seminar was organized on Intellectual Property Rights in the Boost Laboratory, 4th floor in the Main Building of the Asutosh College. The speaker was Dr. Anindita Dey, Assistant Professor, Dept. of Botany of this college who has discussed rights to the holders with special reference to the patent owner with the right to exclude others from making, using, or selling an invention. Faculty members from different departments and around 22 interested students from both UG and PG levels participated in this seminar. The interactive session among the students and faculties with the speaker after the seminar made the session with a successful ending.

Attendance
