

SAMAVAYANA

- 2022

On the 23rd of December 2022, the 42nd Annual get-together of the Tea Club, was held in the Students' Common

Room on the First Floor of the Main building. It was titled Samavayana; it was our way of touching our retired colleagues,

who were present in strength after the gap of the Covid years. A completely updated Telephone Directory, intended to help

all members stay in touch with each other, was released on the occasion. A cultural programme, showcasing the talent of

our current members of staff, was followed by an equally outstanding programme by some of the retired teachers. A sumptuous

lunch brought events to a close.
