- **BRIEF REPORT ABOUT THE EVENT/ PROGRAMME:** The event started with the welcome address from Dr. Dhiman Dutta, Head of the Department of Statistics, Asutosh College. The speaker Dr. Debanjana Dey was felicitated from the Department. Then with a brief introduction of the speaker, the lecture started. Dr. Dey shared her personal journey with the students starting from B.Sc. Statistics from Asutosh College and then doing her masters in Computational Finance from Utkal University. She emphasized on the importance of doing project works by mentioning her own experience as summer intern in Indian Statistical Institute, Chennai and as research assistant in Indian Institute of Management, Calcutta. Dr. Dey highlighted the opportunities available to the students of Statistics to do research in diverse fields such as econometrics, hospitality real estate and household finance. The talk was then open for discussion with students.
- **EXPECTED OUTCOME:** This event is expected to provide career guidance to current students and inform them about various aspects of the global job market and opportunities of higher education.
