Brief Report about the Event/Programme:

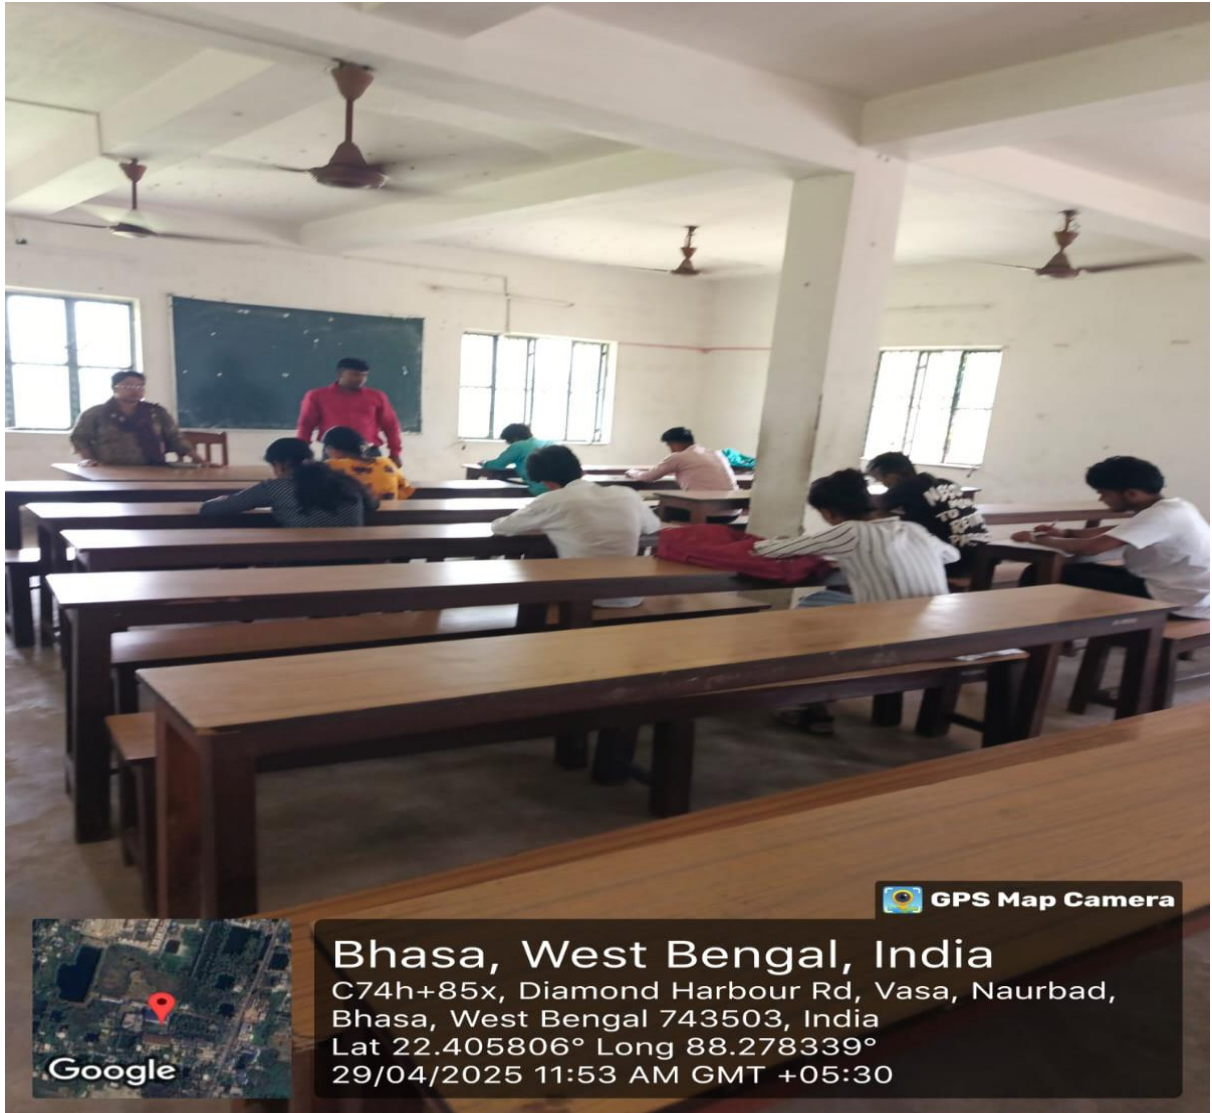

The class tests were conducted over a span of three days, covering all core and elective subjects relevant to Semester II and IV. Each test, aligned with the university syllabus, was held for duration of one hour. Students participated enthusiastically, maintaining discipline throughout the sessions under the supervision of faculty members. Evaluation of answer scripts commenced immediately post-assessment, and results are scheduled to be announced by April 30, 2025.

Expected Outcome:

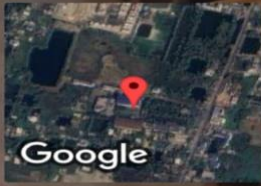

- To identify students' strengths and areas requiring improvement.
- To offer constructive feedback for academic growth.
- To enhance preparedness for the final examinations.
