- **Brief Report About the Event/ Programme:** The purpose of taking Classroom tests for college students is to assess their understanding, progress, and mastery of the subject matter. By administering tests, instructors can gather data on students' performance, which can then be used to tailor instruction and provide targeted support by taking remedial classes and identify areas for improvement, and ensure that students are achieving the desired learning outcomes.
- **Expected Outcome:** To foster deeper understanding, promote continuous improvement, and support students in achieving their academic goals.
