➢ **TITLE OF EVENT / PROGRAMME :** Innovative Solutions for a Better Tomorrow

➢ **THEME OF THE EVENT / PROGRAMME:** Overview of social innovation and its importance on measuring the success of social innovations.

➢ **ACADEMIC SESSION: 2024 - 2025**

➢ **DATE: 20-09-2024**

➢ **VENUE:** Asutosh College Second Campus, Software Development Lab

➢ **OBJECTIVE / PURPOSE:** The main objective of this research is to identify, evaluate, and validate the methods and strategies used in addressing the research questions in the chosen study field. By carefully selecting and applying appropriate research methods, this study aims to achieve robust, credible outcomes that can contribute to the existing body of knowledge in the field.

➢ **SPEAKER/S / RESOURCE PERSON/S:** The students of Semester II Software Development, B.Voc Studies

➢ **TARGET AUDIENCE / PARTICIPANTS:**

➢ **ATTENDANCE SHEET:** Yes

➢ **BRIEF REPORT ABOUT THE EVENT/ PROGRAMME:**

Innovation has always played a crucial role in driving progress and solving the complex challenges faced by societies around the world. As we look towards the future, the need for innovative solutions to address global issues such as climate change, inequality, healthcare, and sustainable development is more urgent than ever. Innovative solutions are key to addressing the most pressing challenges of our time. By investing in sustainable energy, AI, circular economy practices, smart infrastructure, and advancements in healthcare, we can create a future that is more resilient, equitable, and sustainable.

➢ **EXPECTED OUTCOME:**

The event successfully achieved its objectives, with participants gaining valuable Insights into a better tomorrow can be realized through the successful application of these innovative solutions, leading to:

- Enhanced quality of life for all.
- Increased economic opportunities and reduced inequalities.
- A future where technology works in harmony with the environment and society's needs.

This transformative journey requires continued collaboration, investment, and a focus on long-term goals for the collective well-being of future generations.
